SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. §§ 1.97 AND 1.98

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.97 and 1.98, applicant wishes to bring the following information to the attention of the Examiner in connection with the subject application. Form PTO-1449 is attached, on which the citations are listed. The references were cited by the Applicant in the parent application of this application and thus copies of the references are not being resubmitted with this statement. A copy of the prior PTO-1449 form is enclosed herein. See 37 C.F.R. §1.98(d). The pending parent application is S.N. 09/725,621, filed November 30, 2000.

Applicants believe that no fee is due, in as much as there has been no office action. However, if any fee is due, please charge the fee or any additional amount required for filing this document to our Deposit Account No. 04-0010. This authorization is provided in triplicate for accounting purposes.

CERTIFICATE OF MAILING

I hereby certify that this paper and the documents referred to above are being deposited with the United States Postal Service on this 5th day of April, 2001 in an "Express Mail" envelope, mailing label number EL 018 546 635 addressed to: Box Patent Application, Assistant Commissioner of Patents and Trademarks, Washington, DC 20231.

This Disclosure Statement is not intended to substitute for the Examiner's own search. It is believed, however, that this Disclosure Statement will assist the Examiner in the search. The Examiner is expressly requested to review each item cited herein and to make all of the cited items of record in this case as having been considered. The completed Form PTO-1449 is attached for this purpose.

Citation of the items herein is not to be construed as an admission that the information is within the scope and content of the prior art relevant to the present invention, that the information is prior in time to a particular date which may be relevant to the present patent application, that the information is otherwise prior art with respect to the present invention, or that the information cited is material to the claims. In addition, applicants reserve the right to later set forth how the present invention is distinguished over the disclosure of any document or other prior art, including the information cited herein.

Respectfully submitted,
